

DESIGN BRIEF

Company Name:

Ray Studios

Company Description:

We are a company that makes and distributes music. They stand out because they are produced by big names in the industry and available in online stores. Our target audience is people on a budget. We want to convey a sense of mystery, while at the same time being realistic.

Job Description

You must create a website that will mainly show a list of the company's products. The goal is to make the website easy to navigate. Besides the landing page, the website will need a contact page, product pages and a terms of service page. The landing page should have a About the Team section. There should be a call to action to get users to order a free sample. They would prefer a colorful design, and would like you to use the brand color, which is black. Take into account the client's preferences and values.
